# Inland Northwest Artisan Grains Experience

July 7 - 8, 2022 | Moscow, ID & Pullman, WA

Join us this summer for a convening of growers, processors, malsters, bakers, brewers, distillers, and resource providers who are elevating artisan grains in the local food landscape. At this two-day event, you will experience first-hand how grains bred for climate resiliency and flavor are performing in the field and are transformed into craft malt, beer, spirits, and baked goods that command a premium price in local and regional markets.

Get event updates! Join the mailing list <https://www.idahofoodworks.org/inwag-experience>
